Seven Wonders
of
M.H.S.

4/29/64

Dear Marge,

Your friendship these past years has meant more to me than you can imagine. I am going to miss you next year. M.H.S. will not be the same without you, especially the horn section!

You and Tommy make a darling couple. Tommy reminds me very much of someone I used to know quite well. I don't know how you take all the teasing - smiling!

Marge, I think you are the finest ^{young} lady I have ever known. Please don't ever change! Knowing a person like yourself makes life worthwhile.

If you have time next year, I hope you will write me and let me know what you are doing.

I want to wish you the best of everything in your future life, because you deserve it more than anyone!!

4 Love always,
Nancy

The Key Club is an international service organization. Our club at M.H.S. is very active and serves the school and community in many ways. They fill up the candy machines and appropriate money to worthy causes within the school. They also assist the local Kiwanis Club in some of their private projects. The club sponsors an annual toy drive for orphans at Christmas. They buy each of the orphans a present with money out of their own pockets. The club supports itself from the proceeds of an annual magazine drive.

Cafeteria Personnel

These ladies supply us with food for thought. Their efforts to make our lunch period an enjoyable time of the day will always be appreciated by the students of Marion High School.

Custodians

Hard-working, dedicated, friendly. What else could one ask of this fine group of people. They help Marion High to be a better place for us to work and live in.

Creativeness

No chairs, no sleep, no end in sight.

Hylander Staff

The Hylander Staff spends many long, hard hours preparing a quality yearbook. We feel that this year's annual is the best yet; however, our aim is not to satisfy ourselves, but to satisfy you, the students of M.H.S. We have tried to represent every phase of life around our school in this yearbook. This in itself is an extremely difficult task due to the many facets of life present in the school and the lack of funds available to the staff.

A publication staff is certainly no better than its foundation. Mr. Robert Howell is that foundation. Without his guidance it would have been impossible for an annual to have been edited this year. Mr. Howell was willing to give up part of his after-school time to advise the editors. He has had approximately eight years experience with yearbooks. We are proud that he is spending his ninth year with us.

We, the Hylander Staff, join in expressing our appreciation to the students and teachers for their co-operation with us in editing this annual.

JOHN GILKEY, Editor-in-Chief; MARY ALLEN, Assistant Editor.

Marionette Staff

The Marionette Staff consists of approximately twenty-two members. The Marionette is published four times during the school year with special emphasis placed on the Christmas and commencement editions.

Several staff members attended the S. I. P. A. Convention at Washington and Lee University where they received instructions in journalism.

The staff also sponsors the Marionette Revue and "Twerp Week."

This very able group of journalists is joined by their advisor, Mrs. Ted Freeman, in editing an excellent record of M. H. S. activities.

John Gilkey, Mary Allen, Linda Poore, Elizabeth Miller, Jim Goldsmith, Kristi Hassakamp, Lynda Toney, Kathy Bowman, Barbara Rutherford, Tommy Cowan, Diane Seagle, Jack

The M.H.S. band, directed by Mr. Louis Bean, has received numerous awards since our last Hylander went to press.

In June, the band participated in the annual Sun-Fun festival at Myrtle Beach and marched away with two trophies! The South-Eastern Marching Festival in Bristol, Va.—Tenn., brought our band another "Superior" and another trophy. Representing North Carolina at the Shrine Bowl and the state contest at Greensboro were two other honors. All these were topped by the invitation to the Mardi Gras to represent North Carolina in "The Greatest Bands of Dixieland."

Coach Ted Freeman and Coach H. Wilson discuss plans for the Homecoming game.

1963 Varsity Football

The 1963 Rippers began preparing in mid-August for their first game of the season with the always-strong Wilkes Central team. The Rippers journeyed to North Wilkesboro and gave the Eagles one of the toughest games they had ever played. The Rippers lost on the score board, but M. H. S. was very proud of the performance of the whole team.

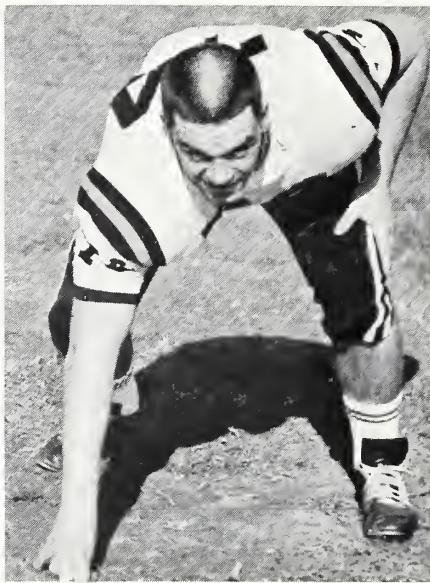

The Wilkes Central game was just a beginning for the Rippers in showing their aggressiveness and ability on the gridiron. After successive wins over Valdese and Taylorsville, the Rippers traveled to Hickory to take on the Red Tornadoes. When the game was over—the Rippers were again short on the scoreboard; however, the Red Tornadoes could have been called the "Black-and-Blue" Tornadoes.

October 11 was the big night of the football season—Homecoming! With the Homecoming Queen, her court, and the sponsors looking on, the M. H. S. Rippers outclassed the Newton-Conover team so much that the Red Devils went home feeling quite tame.

Thank you, Rippers, for giving of your best to the 1963 season!

Coaches T. Wilson and Jerry McKeithan led the "little Rippers" to their first undefeated season in a long time.

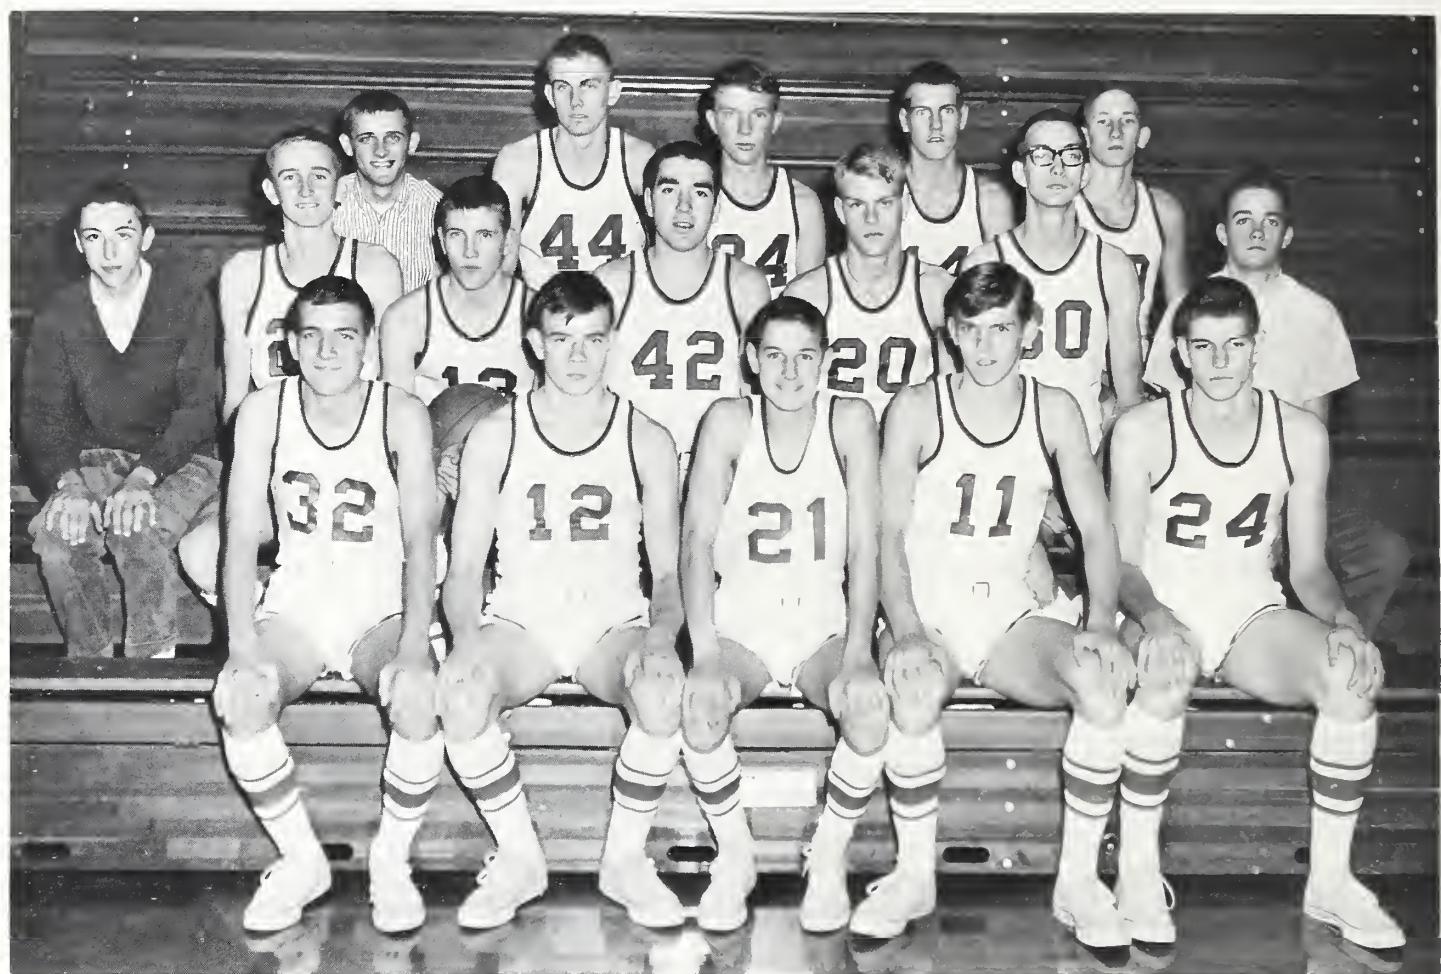

The "little Rippers" were really "little" with one of the largest players weighing in at 165 pounds. However, what these determined boys lacked in weight, they compensated with speed and strength. They literally outran, outplayed, and out-thought all of their opponents.

The boys played a clean, hard-hitting brand of football. They never let down, which is the mark of a championship team. The "little Rippers" were, in fact, so good that the varsity decided that they needed these boys on their team, so many of the "little Rippers" were promoted to the varsity. This marked the end of the season for these boys as a team, but they will all be back together next year on the varsity squad. Beware, Northwestern Conference!

The Marion High School baseball team has yet to experience a losing season under Coach Jerry McKeithan. This year, Coach McKeithan's fourth at M. H. S., the team is expected to come on strong and finish at the top of the Northwestern Conference.

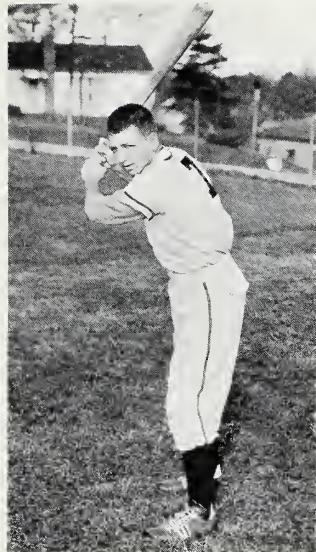

All of last year's 5-3 team will return with the exception of the second baseman. The strong point of the Rippers will be defense, as has been the case for the past three years. The deciding factor for the team's success for the 1964 season will be offense. If their hitting is on the level of their potential, there should be no problem with the offense.

This year's Rippers have had as much experience as any high school team could have. Most of the boys are members of a summer team, and would probably play baseball the year 'round if it were up to them.

Many of the boys started to practice late in January. This is the kind of a baseball team the Rippers will have this year ... a hard-working, dedicated group of athletes.

I have enjoyed being with you and Mrs. Ottomini (or Hugger, or Alley, or Brown is don't know, or Harboring) room, & hope to go through that many teachers again. (We aren't that bad are we?) I hope to see you again next year if you ever get sumone Miss Alley and Mrs. Lindsey for two more months. Robert McCall

Marape, This year has really been great, hasn't it? I don't know what we will do without you next year. It really is going to be cold without Tommy, John, and Mike!

So many things have happened this year. You and your cat, Miss Alley and you, the Mardi Gras, The senior play, and what happened after school! (?) Close two certain people knew (and that's it), and I could go on naming things for ever.

Something else which is coming up is the Shu-Du initiation. Bay we are really going to give them hell.

Since nothing else has really happened in reision this year, I guess what I have said pretty well sums up this great year. (Really just a great half year for me.)

Be good (!!!??) and I'm sure we will always be close friends.

Love ya,

P.S. I hope you can some Many day pull your pants through to your side so you can prove your statement to miss Alley!

Dear Margie

You will understand that I am a good deal busier than I have time alone and wanted to see the annual. I just hope I'll have enough time to write all I want to. To get in a good mood I had to sit at the piano and play "I Want to Hold Your Hand" by the "Beatles" (of course). You must have done really show much enthusiasm for these, but I don't really that shows your reserve, intelligence, & matureress. Don't ever tell Frances, Susan, & Kathy I said that. Lately my 'crave' for him has sort of dropped. I only hope I'm getting some of your matureress, etc. I know a lot of things that surely have influenced me, though you always have a sweet word & smile for everybody. So that means a lot. Dylan's "I've caught my self shouting, or thinking sarcastically about something and hate myself. Every time you and so many others have told me so. I mean when you need a little lift -- depend on Coke can be so sweet! Of all the things you seem to be able to best understand & comfort

you've made me feel of me being something or mus-
it, but again I still feel in that situation. Music

you know that, but I'm music just for enjoyment.

I just happened to the want your parents. On many

things I could quite well

you might say "because they don't want me to date Tommy. They don't like him" For a parent its certain

hard to think of ever losing a daughter to a man. I don't mean

Tommy, particularly). They're doing their best to keep you as

long as they can & agree sometimes parents seem to over

do it, but they love us just the same can you imagine

"it we'd do without them?" (Don't think such things!!)

So if of such dull subjects why not speak of band.

The second thought why don't we skip it. Seriously, though, band

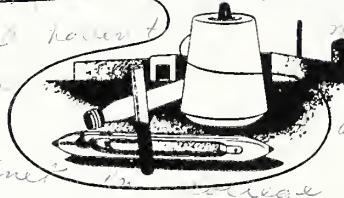

is my second heaven. Band is certainly the center of my life, & I'm going to miss not having you in it next year. Sob Sob!

Right now Mr. Dean isn't exactly my idea of an ideal

director, but I think most of the fault is that we did

too much this year & could every man of it, though, sincerely.

than ever. Marjorie, it's not that we're going to get 1 or 2 or 3; it's that this year I feel as if we'll enjoy more, now we play. Last year I played for the "judges" alone, but this year I'm going to like the music I want the music to be played for the audience (who cares about the judges). I want to move their **AMERICAN THREAD CO.** hearts as I do mine. By & feel **Marion, North Carolina** we have done that, no matter what the "judges" give us to me it will be superior plus! I want the audience to know we love our music, that we are playing for more than just a grade. I want everyone to know that we are the **MARION HIGH SCHOOL BAND**, that has been in it & shows & plays it not hard hearted tenors who are sucking for no "B". I hope I haven't made too much of a fool of myself, but I mean this very much. Mama keeps saying, "what good is all this going to do you? you don't take up dancing or singing or the like. What good will tell you. The experience we had in band I'll never forget. The people we know & have come to admire will never be forgotten. I've learned that challenging Banda, has in the rest of life, too! In band I've had goals set before me that I thought I'd never have attained, some I have though, and many more have I yet to go. I must do right as I feel &

hangs up by Linda, after a Bill, and I can't let her down. It would hurt me immensely to see them all & see what they like me. It is quite a challenge, but some day I must live up to it. Some day when I like it may be in the future. That will be the real test of skill (but we see it). I do so wish, Marjorie will be able to keep up the good work! so much for that!

I think of all the times we've torn up classes with our jokes etc. Especially you. I don't think you realize how you were carried in class. **DREXEL FURNITURE** I hope the students at Lincolnette will understand & care & help us! Bill got the phone bell drops a new record the last time I leave. I think maybe we'd better have a street dialing phone put in for our **Marion, North Carolina** homework. For in case as well as yours! When you call me, your rainstorms always give me the correct rainstorms. I don't think I'll be able to get along without you & don't help but think that Tommy is awfully lucky & you too. But I'm sure you know that some day somehow somewhere we'll be freed from the bonds of parents. Then we can live... I can help the world.

All the happiness in the world is a very good thing.

My Dearly Beloved Cousin,

This has really been some year! We're really going to miss you next year. I wish you were going to be here to mourn, MARION PHARMACY & grocer & we're over Tommy & John being gone. I'll really miss all three of you; you with your sweet smile & kind word for everyone (almost), Tommy and his long talks & kidding and John and his — well — you know.

I'll never really forgive you for giving the editor that deadly picture of me. There had been quite a few remarks about it.

Thanks for all the help on the homework. You always help me to learn how to do it so that I can teach BUILDER'S SUPPLY you!

DR. W. L. BELL

I've enjoyed having you spend the weekend with me several times and remember our doors are always open to you. We love to have you.

I'll never forget all the fun you, Tommy, John and I have had doing certain things. It's so much fun. To have you & your such a good sport to take it all. I hope we'll do it some more next

year when you (I hope soon) come home.
Have loads of fun next year. Don't forget us and we'll never ever, never forget you.

7 hours ever so
know where to set
the band traps and
had a ball. The traps are better
nowhere, the band and the
Mardi Gras. I'll never forget
the fun we had. Even the
time we got a "II" and you
had all the way home and
then took the train and
met Mr. Bennett, "the Eveready"
He was the best the traps and
had a great time. I was lucky to
get a job and I went to a
gas station. I worked the gas
line. We had, I was second
to work out a wonderful
time. It worked out
better than I ever
